### **Notes:**

Registration is through the online registration form :

<http://orientsumy.com.ua/index.php>

Last day of registration is April 29 2019. Athletes who are not Ukrainian citizens can take part in the Ukrainian Orienteering Championships without placing.

## **Punching system**

The SportIdent system will be used in all the classes.

## Terrain

**Middle, Long (WRE) and Relay:** Erosion and sliding relief with lots of details. Maximum height difference on the slope is up to 150 m (Relay - up to 50 m). The terrain is open at 20-30%. Vegetation is predominantly leafy (beech, hornbeam) with a subspecies. Cuttings and young planting complicate the movement. Network of forest roads and trails is well developed, many different forms of hydrography. Soil is clay. There are private plots.

**Sprint:** Urban development, consisting of multistory buildings, private sector and park area. Slope height difference is up to 30 m.

## Maps (Schemes)

**Middle (WRE) and Relay:** scale 1: 10000, contours 5 m.

**Long (WRE) :** scale 1: 15000, contours 5 m.

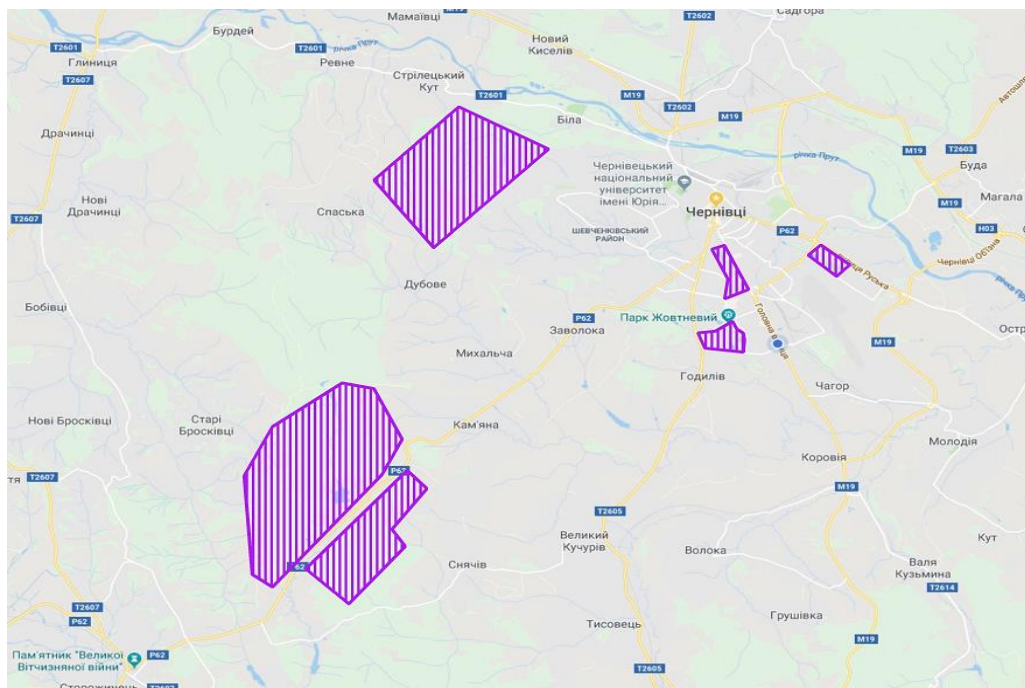

**Sprint:** scale 1: 4000, contours 2,5 m.

## Embargoed areas. Training opportunity

Scheme of forbidden areas may be seen lower. Participants have the right to be in the built-up part of the forbidden areas without a sport map. Participants are allowed to enter the arena only three hours before the start of the competition, including the approach and the parking lot. Training with any cartography and testing of traffic options in prohibited areas and in the streets of prohibited areas is not allowed.
