World Ranking Events Classes: M/W 21E. Individual events: Middle Distance, Long Distance.

Ukrainian Orienteering Championships Classes: M/W 12, 14, 16, 18, 20, 21E, 21A, 35, 40, 45, 50, 55, 60, 65, 70, 75, 80, 85.

Individual events: Middle Distance, Long Distance, Sprint.

Relay (3 legs): M/W 12, 14, 16, 18, 20, 21 and 110, 140, 170, 200 (classes for the participants of 35 years and older with total age limit for 3 relay team members).

Notes:

Entries is through the online: <http://orientsumy.com.ua/index.php>

Last day of Entries is April 29, 2019.

Punching system

The SportIdent system will be used in all the classes.

Terrain

Middle Distance, Long Distance and Relay: Erosion and sliding Land Forms with lots of details. Maximum height difference on the slope is up to 150 m (Relay - up to 50 m). The terrain is open at 20-30%. Vegetation is predominantly leafy (beech, hornbeam) with a subspecies. Cuttings and young planting complicate the movement. Network of forest roads and trails is well developed, many different forms of hydrography. Soil is clay. There are private plots. Recommended runners form: indoor clothing and spike shoes.

Sprint: Urban development, consisting of multistory buildings and park area. Slope height difference is up to 30 m. Recommended runners form: outdoor clothing and sneakers. Shoes with metal spikes is prohibited.

Maps

Middle Distance, Long Distance and Relay: scale 1:10 000 or 1:7 500 (depending on the Classes, see Distance Chapter), Equidistance 5 m.

Sprint: scale 1: 4000, Equidistance 2,5 m. **Footwear with metal spikes is prohibited.**

Quarantine at the sprint Event

The sprint day uses quarantine before and after the finish. Quarantine before the start is located on the western podium and behind it. (see chart). At the entrance to the quarantine zone cleaning of the chips is carried out. All participants must be quarantined until 10:00. After this time, the chip cleaning is stopped. Warming is allowed only within the limits of the quarantine zone. In the quarantine before the start, there is a toilet (in the school's room), there is drinking water.

Quarantine after the finish is located on the eastern tribune. After the finish, the participants must independently follow the rostrum and stay there until the start of the closing. There is access to the toilet at the stadium.

Embargoed areas. Training opportunity

Scheme of forbidden areas may be seen lower. Participants have the right to be in the built-up part of the forbidden areas without a sport map. Participants are allowed to enter the arena only three hours before the start of the competition, including the approach and the parking lot. Training with any cartography and testing of traffic options in prohibited areas and in the streets of prohibited areas is not allowed.

Training sessions are scheduled in the period 27.04 - 07.05.2019, or in another period at the territory of Chernivtsi region. For trainings, please, contact the e-mail address: volodymyrlypka9@gmail.com.
